Entra and the Norwegian broadcasting corporation (NRK) has signed a letter of intent for a lease contract of around 9,000 sqm in Holtermannsveg 1-13 in Trondheim. NRK Trøndelag will then establish a new media house in new and more adapted premises in Holtermanns veg 1-13 no later than in 2026.

- We are very pleased that NRK and Entra have agreed on the framework for a lease contract in Holtermanns veg 1-13. A final agreement will mean that we will start the third and final construction stage in our development project on this site. When the last construction phase is completed, we will have established an attractive business cluster in the heart of the education and innovation environment in Trondheim, says Sonja Horn, CEO of Entra.

According to the letter of intent, NRK and Entra shall agree on a final agreement within 30 September 2022.
