

# Entra ASA: Allocation of shares to PDMRs under the Long-Term Incentive Programme

24.2.2026 17:16:00 CET | Entra ASA | Mandatory notification of trade primary insiders

Entra ASA (“Entra” or the “Company”) refers to its stock exchange announcements dated 11 February 2026 regarding the share buy-back carried out for the purpose of fulfilling the Company’s Long-Term Incentive Programme (“LTI Programme”). The persons discharging managerial responsibilities (“PDMRs”) have now been allocated, and will receive, shares under the LTI Programme as approved by the Annual General Meeting on 23 April 2024.

The allocated shares are subject to a five-year vesting period, with one-third vesting after three years, one-third after four years, and the final one-third after five years.

Notifications of allocations to the PDMRs are attached hereto.

Following these allocations, Entra will hold 308,090 treasury shares based on the number of shares held at market close on 24 February, noting that the number will fluctuate due to the ongoing share buy-back programme, which is not related to the LTI Programme.
