

## Update on legal claim

9.8.2021 14:48:07 CEST | Ice Group ASA | Additional regulated information required to be disclosed under the laws of a member state

Reference is made to previous stock exchange notices regarding the legal proceedings between Ice Group ASA's (ICE) subsidiary AINMT Holdings AB (AINMT) and GoldenTree Asset Management LP (GoldenTree) and others.

Ice has today been informed that the court has decided that the main hearing, originally scheduled for next month, will be rescheduled at GoldenTree's request. The rescheduling was decided on the background that GoldenTree recently terminated its legal team and appointed a new team from another law firm.

A new date has not yet been set, but expected to be during first half 2022.
