

Italian grocery retailer Coop Alleanza purchases grocery lockers from StrongPoint

1.4.2022 14:02:37 CEST | StrongPoint | Additional regulated information required to be disclosed under the laws of a member state

(Oslo, April 1, 2022) StrongPoint, a leading provider of grocery retail technology, has received an order for 10 temperature-controlled grocery lockers from the Italian grocery retailer Coop Alleanza.

This is the first purchase of grocery lockers from Coop Alleanza and sold via our Italian partner, Infostornet. The lockers will be installed in 2022.

“We are delighted that another grocery retailer recognises the quality and efficiency savings of our world-class click and collect solution. StrongPoint’s smart, self-service temperature-controlled grocery lockers ensure outstanding and consistent customer experiences for the end customer. For retailers, they provide substantial efficiency savings and a way to provide a click and collect option to stores of any size in any location,” said Jacob Tveraabak, Chief Executive Officer of StrongPoint.
