(Oslo, 30 May 2022) StrongPoint ASA (StrongPoint, ticker: STRO) today announces that it has been selected by ColliCare Logistics AS, an innovative provider of all logistics services for e-commerce and warehousing services, for the development and installation of an AutoStore solution.

“We are extremely proud to announce the agreement with ColliCare after an extensive tender process. That StrongPoint has been chosen to develop and install this AutoStore solution is a testament to our reputation for high quality and outstanding customer service,” says Jacob Tverabaak, Chief Executive Officer of StrongPoint.

After a competitive tender process, StrongPoint has entered into an agreement with ColliCare Logistics to deliver an AutoStore solution to automate their warehouse in Vestby. The project will be managed by StrongPoint with support from its strategic partner HÖRMANN Logistik.

“ColliCare has a bold vision to enhance their customers’ competitiveness through innovate and integrated logistics solutions. We are proud to join them on this journey and develop their first automation facility to accelerate their growth by boosting the speed and capacity of their logistics solution,” says Jacob Tverabaak, Chief Executive Officer of StrongPoint.

The agreement has a value of approximately 30 MNOK and is expected to be delivered in Q1 2023.
