(Vilnius, Lithuania, November 10, 2020): StrongPoint has today signed an agreement with the retail chain Palink (part of REWE Group) to deliver Self-Checkout solutions worth more than 3 MEUR. Palink (which manages the "IKI" brand stores in Lithuania) is continuing with the expansion of self-checkout solutions in its stores.

StrongPoint has previously supplied Palink with self-checkout solutions. This new order will be delivered in 2021 and installations will be grouped and staggered over time.

"Technology is the key to providing better shopping experiences and instore efficiency. We are extremely proud that a valued customer continues to partner with us to provide world-leading retail technology solutions," says Jacob Tveraabak, CEO of StrongPoint.
