Schibsted is happy to announce its inclusion in the Euronext Tech Leaders segment which is composed of 120+ high-growth and leading companies. The initiative complements Euronext's existing Tech offer and aims to strengthen the European Tech sector and be a catalyst for the next generation of Tech leaders.

“We are proud to join this group of leading European growth companies. This is a great recognition of our strong and unique position in the Nordics with leading marketplaces, world-class media houses, and our DNA to invest in growth,” says Ragnar Kårhus, CFO at Schibsted.

Euronext’s rich Tech ecosystem brings together 700+ Tech companies listed on Euronext markets with 660+ alumni of its pre-IPO programmes and a large international investor base financing all growth profiles of Tech companies.
