

AQUA BIO TECHNOLOGY ASA

Geir Udnæs new CFO in Aqua Bio Technology

6.1.2025 08:45:00 CET | Aqua Bio Technology ASA | Additional regulated information required to be disclosed under the laws of a member state

Aqua Bio Technology has appointed Geir Udnæs as interim CFO. Udnæs is an auditor with a broad and comprehensive career.

- We are proud to have a capacity like Geir on the team. For ABT, this is an important part of the ongoing professionalization of the company. As the company has moved from little activity to now being able to show significant growth, it is essential that the team is also strengthened in key positions. An added bonus is that Geir also knows the industry from before, says CEO Fredrik William Henriksen.

Udnæs has previously, among other things, been an auditor at Arthur Andersen, CFO at Kistefos, CEO at Midelfart and has extensive experience from corporate services and transactions.

- ABT is a very exciting company in an interesting market. I look forward to working with Fredrik and the others in ABT in the future, says Udnæs.

For further information, please contact CEO Fredrik William Henriksen phone +47 90 02 00 78.

Aqua Bio Technology (ABT) is developing and commercializing sustainable biotechnology for use in skincare products. ABT's cosmetics ingredients are highly effective and they provide the cosmetics industry with natural alternatives to traditional ingredients. ABT is also marketing and distributing natural skincare products developed by partners towards consumers and professional users. ABT's focus on commercialization and development of natural ingredients and natural skincare products has been, and will continue to be, an important part of the Company's strategy going forward. Aqua Bio Technology is listed on the Euronext Expand market of the Oslo Stock Exchange.
