AQUA BIO TECHNOLOGY ASA (ABTEC) - LOI Signed Between Jetcarrier AS and Hofseth International AS

21.5.2025 11:51:47 CEST | Aqua Bio Technology ASA | Additional regulated information required to be disclosed under the laws of a member state

Aqua Bio Technology (ABTEC)'s wholly owned subsidiary Jetcarrier AS (Jet) has signed a Letter of Intent (LOI) with Hofseth International AS (HI) for transportation services worth potentially NOK 40-50 million annually.

The intention is for Jet to facilitate the shipment of approximately 1,000 containers per year, or 16-22 per week, of frozen fish, primarily to North America.

Upon entering into a final agreement, Jet will require 12 months of exclusivity.

HI is one of Norway's largest producers and a major international supplier of salmon and processed salmon products.
