

AQUA BIO TECHNOLOGY ASA

Aqua Bio Technology ASA - The two times award winning Fab Lounge, has selected Seiðr clinique as its brand of choice for their new Spa.

10.5.2023 08:11:34 CEST | Aqua Bio Technology ASA | Non-regulatory press releases

Fab Lounge, in cooperation with hotel Scandic Royal Stavanger, launches Fab Lounge Spa which is the first Spa in the world to exclusively introduce Seiðr clinique treatments and products. Fab Lounge, who is one of Norway's largest skincare clinics, won the award for the best Skincare company in Norway in 2023 for the second time in a row. The prize is awarded by NFVB (Norske Frisør -og Velvære Bedrifter), which is an organization in The Confederation of Norwegian Enterprise (NHO).

Managing Director in Fab Lounge, Mariann Domert Edland, says in a statement "We are thrilled to announce that our new spa is now offering Seiðr treatments, making us the first spa in the world to do so. We have fallen in love with the texture, results, and fragrances of Seiðr, which is deeply rooted in the natural beauty of Norway. Our Seiðr treatments use only the finest and most authentic ingredients, sourced directly from the region, to provide a truly authentic and transformative experience. We are committed to providing our clients and hotel Scandic Royal Stavanger's guests, Seiðr signature treatments with the highest quality, and we believe that our Seiðr treatments are a true reflection of this commitment."
