

PRESS RELEASE

Cyviz awarded contracts valued at USD 2 million with global Fortune 500 customer

Cyviz is pleased to announce new contracts with a global Fortune 500 technology services firm for Cyviz' standardized, turnkey video collaboration solutions. The total value is approximately USD 2 Million, including solutions for their regional innovation centers and support and software maintenance agreements.

The customer has standardized on Cyviz globally in recent years. The new contracts awarded include advanced boardrooms and multipurpose training rooms at regional innovation centers in the US, United Kingdom and Germany. The Cyviz collaboration solutions are integrated with Microsoft Teams and Cisco for seamless video conferencing as well as Microsoft Exchange for easy one-touch join meeting user experience. Knowledge workers can easily share content and collaborate on room video walls or join virtually on Microsoft Teams from their laptops, smartphones, and tablets.

The customer has chosen the Cyviz Easy Software Platform due to its IT-driven, standardized, configurable, and upgradeable solution versus legacy AV approaches that are one-off and custom programmed. The Cyviz Easy Server software allows for all global systems to be monitored, managed, and supported by a centralized team. Cyviz allows for a functional hybrid collaboration model between offices and remote workers using Microsoft Teams, Cisco WebEx, Zoom, and Google Meet.
