

PRESS RELEASE

Cyviz partners with Accenture to deliver next-generation visual collaboration solutions for Expo 2020 Dubai

March 30, 2021

Accenture and Cyviz partner to equip the innovative and collaborative exhibition at [Expo 2020 Dubai](#) with a range of Cyviz technology solutions. The Expo 2020 theme is 'Connecting Minds, Creating the Future', and promotes sustainability, mobility, and opportunity. [Accenture is the Digital Services Premier Partner and one of the headline sponsors](#). The contract awarded includes Cyviz' next-generation visual collaboration systems for customer briefings, media interviews, interactive collaborative workshops and partner meetings.

The World Expo goes back to 1851, when the first fair was held in London. It now takes place every five years, attracting 25 million visitors from 192 countries. It is the world's greatest show to celebrate human brilliance and connect people from across the globe offering the world's greatest digital experiences.

CEO Espen Gylvik comments, "We are very excited that our strategic global customer Accenture has chosen Cyviz technology to showcase for visitors at such an important event. The contract builds on the existing relationship between Accenture and Cyviz, with numerous solutions delivered around the world."

Digital experiences powered by Cyviz technology

The Expo 2020 Dubai will be held from October 1, 2021, to March 31, 2022. With Cyviz' standardized solutions, it is feasible to deploy high-quality and innovative technology in a short timeframe. Gylvik adds, "I am also pleased to see that these systems will be reused in another location when the Expo 2020 is over. Cyviz' solutions are reliable and have a long life, contributing to sustainable technology for the future."

Accenture's role as Official Digital Services Partner means that they help realize the best visitor experience possible. From creating the digital channels and tools for Expo visitors, to delivering the backend systems to advanced future technologies. The goal is to offer hyper-relevant, personalized visitor journeys for every one of 25 million visits to Expo 2020 Dubai. The high-quality solutions that Cyviz delivers align with that vision through their proven innovative design and engaging experiences. The Cyviz technology will help Accenture fulfill the promise of delivering the world's greatest digital experiences at Expo 2020 Dubai.

Cyviz Easy Software Platform guarantees uptime and user experience

The [Cyviz Easy Software Platform](#) is designed for effective deployment, management and reliable user experiences. It also offers remote support and monitoring to ensure the rooms' availability at any given time. This technology is essential for both deployment and the functionality of the solution when in operation. An intuitive user interface enables shifting between presentations, collaborative workshops, or customer demonstrations to deliver a dynamic and innovative environment for visitors.
