

## TEKNA HOLDING ASA: Invitation to presentation of second quarter 2024 highlights

12.8.2024 09:30:00 CEST | Tekna Holding ASA | Non-regulatory press releases

(Arendal, NORWAY / Sherbrooke QC, CANADA) Tekna Holding ASA (Tekna, OSE:TEKNA) invites investors, analysts, and journalists to a presentation of the highlights of the second quarter and first half of 2024 on Friday, 16 August 2024, at 13.00 CEST / 7:00 EST.

Tekna will host a short presentation of the financial results for the second quarter and first half-year and a Q&A session. The results will be presented by CEO Luc Dionne and CFO Espen Schie of Tekna Holding ASA, and the event will be made available via a live webcast. Click the following link to register and gain access to the webcast:

<https://www.tekna.com/investors/webcast-2024q2>

Questions can be submitted via email to [investors@tekna.com](mailto:investors@tekna.com) prior to the event and via the webcast link during the live event. A recorded version of the webcast will be available shortly after the webcast has concluded.

For more information, please see the first quarter and Business and Market update presentation, which are attached to this invitation and available at <http://www.tekna.com> - <http://www.tekna.com/>.

The interim report for the second quarter and half-year will be available on <https://newsweb.oslobors.no/> and on <http://www.tekna.com/investors> at around 07:00 CEST on the reporting day.

For more information please contact Arina van Oost.

### About Tekna Holding ASA

Tekna is a world-leading provider of advanced materials to industry, headquartered in Sherbrooke, Canada.

Tekna produces high-purity metal powders for applications such as 3D printing in the aerospace, medical and automotive sectors, as well as optimized induction plasma systems for industrial research and production. With its unique, IP-protected plasma technology, the company is well positioned in the growing market for advanced nanomaterials within the electronics and batteries industries.

Building on 30 years of delivering excellence, Tekna is a global player recognized for its quality products and its commitment to its large base of multinational blue-chip customers. Tekna's powder products increase productivity and enable more efficient use of materials, thereby paving the way towards a more resilient supply chain and circular economy.
