### About Ørn Software Holding AS

Ørn Software is a Nordic provider of SaaS solutions enabling efficient operations and maintenance across a wide range of asset-heavy industries, including real estate, manufacturing, food & beverages, and aquaculture.

The Group's software provides customers with improved insight through data-driven operations and contributes to increased efficiency and reduced costs through digitalization of rental processes, data-driven maintenance scheduling and energy optimization. All of the above contribute to the lengthening of property and equipment lifespan, a key component of Ørn Software's value proposition. Furthermore, the Group's offering enables customers to reduce their environmental footprint and provides digital tools to meet reporting and regulatory requirements.
