

# Green Minerals AS: Invitation to Presentation of Fourth-Quarter Results for 2023

16.2.2024 11:02:27 CET | Green Minerals AS | Non-regulatory press releases

Oslo, Norway - 16 February 2024 - Green Minerals AS will publish its fourth-quarter results for 2023 on Thursday, 22 February, at 08:00 CEST. A live audio cast will take place the same day at 10:00 CEST.

There will be a Q&A session at the end of the presentation, and written questions can be submitted through the audio cast solution. The presentation material will be available on [www.greenminerals.no](http://www.greenminerals.no) and <https://newsweb.oslobors.no>. Please note that a recorded version will be available shortly after the presentation.

To join the live audio cast, follow the link: <https://msteams.link/AWS6>

## About Green Minerals AS

Green Minerals AS mission is to deliver minerals for the green energy transition in a responsible and sustainable manner through deep sea mining of key minerals and rare earth elements (REE). This significantly reduces the social and environmental costs found in terrestrial mining while at the same time solving a strategic need for EU and the USA.
