

## Soiltech to deliver Solid Waste Management Services on the Norwegian Continental Shelf

26.3.2026 07:01:46 CET | Soiltech ASA | Non-regulatory press releases

Soiltech ASA (OSE: STECH)  
Sandnes, Norway, 26 March 2026

Soiltech ASA has been awarded a contract to deliver solid waste management services on the Norwegian Continental Shelf (NCS), with an expected start-up in the second quarter of 2026. Subject to duration and scope of work, the contract has the potential to become a large contract for Soiltech<sup>1</sup>.

“The demand for cost-effective and sustainable waste management solutions continues to increase on the NCS, driven by high drilling activity and strong visibility for the coming years,” says Jan Erik Tveteraas, CEO of Soiltech. “We are encouraged by the market’s response to our technologies. Our focus is to continue improving existing solutions and thereby deliver greater efficiency for our clients.”

### 1. Contract sizes

A sizable contract has an estimated value of MNOK 5 – 10

A substantial contract has an estimated value of MNOK 10 – 20

A large contract has an estimated value above MNOK 20
